

August 24, 2020

UNFI Suppliers,

Beginning on 10/3, Dock Scheduler via SV Harbor will be decommissioned, and all existing appointments will now have to be scheduled through the National Inbound Logistics Master Scheduling Team. Please see below for more information:

How do I request appointments at a UNFI Distribution Center starting on 10/3/2020?

Please review the appendix at the end of this communication for a list of email addresses that you can contact to setup an appointment.

What information do I need to provide when requesting an appointment?

Please provide a PO number along with the date and time you wish to deliver. Please keep in mind that appointment requests must be submitted a minimum of 72 hours prior to requested appointment date and time.

How long will it take for me to receive a response?

Appointment requests submitted by 2PM (local time, based on where you are delivering) will be responded to during the same business day. Appointment requests submitted after 2PM (local time, based on where you are delivering) will be responded to the following business day. Appointment confirmations will be auto generated by UNFI's TMS and will be sent from TMSAPP@UNFI.com. Please, watch for this confirmation.

I was given an appointment that does not work for me or my carrier, what should I do?

Appointments are first come, first serve. We will provide you with the most optimal appointment time we have available, based on your request. If you cannot make your appointment time, you can request a reschedule. Please keep in mind, in most circumstances, we only allow one reschedule per appointment.

Are there any other ways I can schedule an appointment?

Not at this time, you must send an email to your respective Master Scheduler to setup an appointment.

Thank you,
National Inbound Logistics

Appendix
